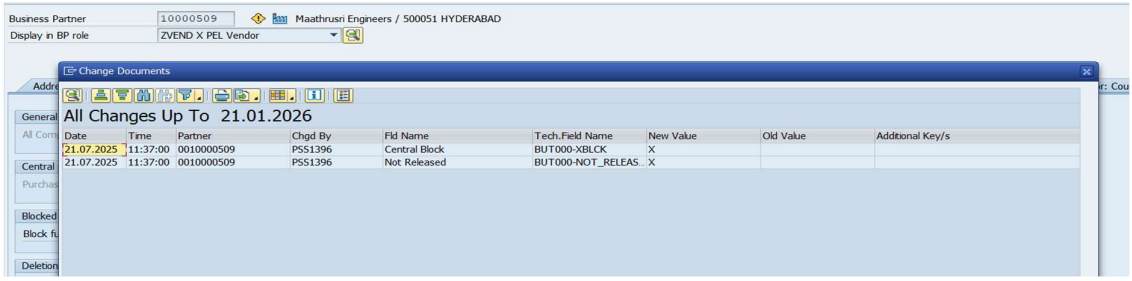
IA Point-4

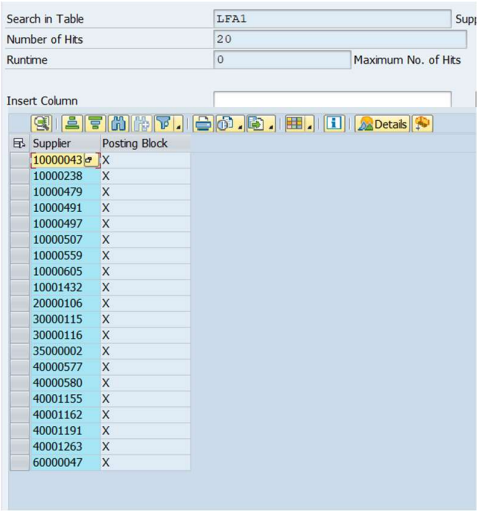
b) IA noted one instance of duplicate vendor codes created for the same vendor, with transactions processed under both codes. (Refer Annexure 1).

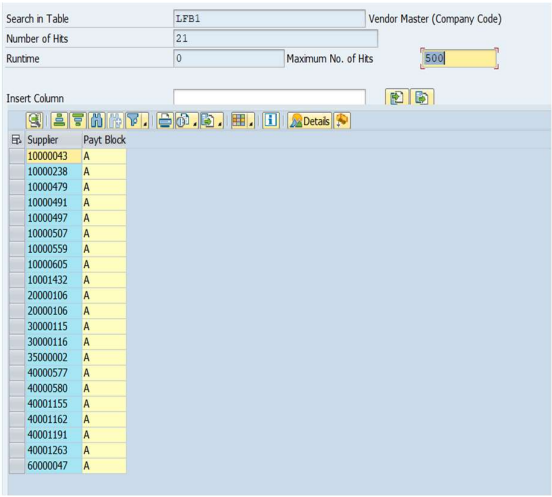
Reply: Vendor: 10000509 was blocked on 21.07.2025



c) IA noted 21 dummy vendors exist out of 9441 active vendor records, though no transactions were recorded against them. Of the above,8 vendors are not blocked for payment. (Refer Annexure 2)

Reply: All the vendors mentioned in Annexure 2 were blocked (blocked for Payment also) during July-2025





d) In three instances, the bank account number was modified multiple times, On discussion with SAP master data consultant, IA observed that requests are currently being made through different channels—such as Microsoft Teams, email & internal discussions.

Reply: Since July-2025, IT team is not accepting any requests for Bank Account changes through other channels except mail (with approval)
