Dear Sivasankar Sir,

When we are trying to create sale order in HANA as a scrap sale, the item code of 6000000228 is not registered for 2000 company as a scrap sale.

If the item code is purely scrap item then Suresh Ji / Sripad Ji will move the item code into 2000 / 10 / 20 sale. Kindly confirm in the mail for changes in the HANA to create sale order;

Priyadarshan

In PEPPL we have purchased 3 Nos Dock Levelers 6T cap each. As the size of panels has increased and the weight per pallet has increased, we have faced issues with the operation of these dock levelers with breakdowns and oil leakages happening frequently. We have replaced there 3 with new 3 Nos of dock levelers of 9T capacity.

For 2 of the dock levelers, we found a buyer who has offered Rs. 70K per piece and shall get it repaired at their own cost. Request you to kindly let us know how to proceed. Since this is a not a regular market item, we will not be able to get a competing quote.

Purchase price was in the range of 1.4 lakhs (Siva to Confirm).
