Hi Rushi,

As discussed, please transfer the project employees to PEGEPL, where major projects are currently being executed. While transferring employees from various entities to PEGEPL, kindly ensure that the appointment/transfer letters are reissued under PEGEPL.

Additionally, the receiving entity (PEGEPL) must settle all outstanding liabilities payable to the sending entities, including

- PF
- ESI
- Gratuity
- Insurance
- Leave Encashment

Respective company managers please pass necessary adjustment entries in books and ensure payout to respective companies before Sep 30th 2025

Regards
Siva

Instead of apportionment, going forward can we move all the pspt projects team and projects people in various companies to PEGEPL as all the work is happening there.
