If the company at its option, reinstate or replace the property damaged or destroyed, or any part thereof, instead of paying the amount of the loss or damage, or join with any other company or Company in so doing, the company shall not be bound to reinstate exactly or completely but only as circumstances permit and in reasonably sufficient manner, and in no case shall the company be bound to expend more in reinstatement than it would have cost to reinstate such property as it was at the time of the occurrence of such loss or damage not more than the sum insured by the company thereon.

If the company so elect to reinstate or replace any property the Insured shall at his own expense furnish the company with such plans specifications, measurements, quantities and such other particulars as the company may require, and no acts done, or caused to be done, by the company with a view to reinstatement or replacement shall be deemed an election by the company to reinstate or replace.

Each item of the policy to which this condition applies shall be separately subject to the foregoing provision.

Provided however that if the said sum insured in respect of such item(s) of the schedule shall not be less than 85% (eighty five per cent) of the value of the item(s) thereof, this condition shall be of no purpose and effect.

9. If at the time of any loss or damage happening to any property hereby insured there be any other subsisting insurance or insurances, whether effected by insured or by any other person or persons covering the same property, this company shall not be liable to pay or contribute more than its rateable proportion of such loss or damage.

12. If any dispute or difference shall arise as to the quantum to be paid under this Policy (liability being otherwise admitted) such difference shall independently of all other questions be referred to the decision of a sole arbitrator, to be appointed in writing by the parties to or, if they cannot agree upon a single arbitrator within 30 days of any party invoking Arbitration, the same shall be referred to a panel of three Arbitrators comprising of two Arbitrators - one to be appointed by each of the parties to be dispute/difference, and the third Arbitrator to be appointed by such two Arbitrators and arbitration shall be conducted under and in accordance with the provisions of the Arbitration and Conciliation Act 1996.

It is clearly agreed and understood that no difference or dispute shall be referable to arbitration as hereinbefore provided, if the Company has disputed or not accepted liability under or in respect of this Policy.

It is hereby expressly stipulated declared that it shall be condition precedent to any right of action or suit upon this Policy that the award by such Arbitrator/Arbitrators of the amount of the loss or damage shall be first obtained.

At all times during the period of insurance of this policy the insurance cover will be maintained to the full extent of the respective sum insured in consideration of which upon the settlement of any loss under this policy, pro rata premium for the unexpired period from the date of such loss to the expiry of period of insurance for the amount of such loss shall be payable by the insured to the company.

The additional premium referred above shall be deducted from the net claim amount payable under the policy. Thus continuous cover to the full extent will be available notwithstanding any previous loss for which the company may have paid hereunder and irrespective of the fact whether the additional premium as mentioned above has been actually paid or not following such loss. The intention of this condition is to ensure continuity of the cover to the insured subject only to the right of the company for deduction from the claim amount when settled of pro-rata premium to be calculated from the date of loss till expiry of the policy.
