Dear Sir,

Good Evening!

As part of **MOOWR Compliance**, we are strictly adhering to the following procedures while handling **MOOWR-related goods**:

1. All warehouses are under **24/7 CCTV surveillance** with security personnel on duty.
2. **Vehicle In & Out records** are properly maintained at the security gate.
3. **Registers are maintained** for the receipt of goods.
4. A **dedicated warehouse keeper** is assigned for each warehouse handling these transactions.
5. Whenever finished goods are sold in the domestic market, the materials are released **only after payment of the applicable duties** on the imported goods used in the manufacturing process.

Thanks & Regards

B Vinod Kumar
